### Designations MAKE a Difference

Become more valuable. Develop your skill sets and show prospects and clients that you have the specialized expertise to navigate the current marketplace. By earning a designation or certification you can as much as double your income. REALTORS® who earn professional designations have a distinct competitive edge as a result of their increased expertise and marketability. The median income of REALTORS® with at least one designation was nearly \$27,600 more than the income of those with no designation.
