

THANK YOU FOR TAKING ACTION ON LB496!

Nebraska REALTORS® Association Governmental Affairs Committee Members,

Governor Ricketts Signs LB 496!

The Tax Increment Financing (TIF) bill LB 496 for rural workforce housing, introduced by Senator John Stinner, is very important to Greater Nebraska communities. It passed FINAL Reading on a 35-8 vote last week in the Nebraska Legislature. I then asked you to take action and contact Governor Ricketts asking him to sign it, as there was some concern he may veto it. Many of you did contact him. And yesterday, April 23, 2018, Governor Ricketts signed it into law.

For those of you who took the time to take action and contact Governor Ricketts:

THANK YOU!

And for those of you who did contact Governor Ricketts, you likely received a thank you email response like the one sent to me here below.
